Clinical fellowship in orthopaedic medicine

Become **THE reference therapist** in orthopaedic medicine in your city and go for **more (financial) success** and **efficiency** in your clinic !

The **Clinical Fellowship** is an exclusive **mentorship program** which only can be booked **in combination with the MasterMind week**.
Only **3 participants** can be admitted for his program.

- ⊙ During the Clinical Fellowship week you will **join Steven De Coninck**, chair of ETGOM, in his **private practice** in the ETGOM international training centre, where you will get the opportunity to translate into practice all clinical reasoning and therapy knowledge you have studied during the MasterMind.
- ⊙ You will be seeing patients together with Steven and learn how to implement a good inspection, history and diagnostic strategy as well as the execution of different treatment procedures.
- ⊙ Inbetween patients you will get further private training and tasks related to clinical subjects in musculoskeletal medicine.

**This “live” experience will bring you to the next level of your expertise and success
